

Model Equal Opportunities Statement

5

Your group should adopt an equal opportunities statement as part of your constitution. This model can be adapted to suit your group's own needs.

- ... [name of group] will be committed to ensuring equality of opportunity to all local residents.
- ... [name of group] will take steps to ensure that we are as representative of the local community as possible and that all meetings and any other group activities are accessible and welcoming to all local residents.
- Each individual member of ... [name of group] will be responsible for helping the group to meet these aims.
- Any resident who feels that they have not been treated fairly and equally by ... [name of group] can raise this with the Strategic Community Involvement Team.
